Welcome back to a wonderful exciting term at Lightning Ridge Central School. It was fantastic to see the school used during the holidays as we hosted the Goyoza monks from Tibet who were able to impart some of the wisdom of their ancient Buddhist philosophies to residents and visitors in Lightning Ridge. At the same time during the holidays our school is a hive of activity with teachers preparing exciting engaging lessons for students as well as the cast of our school production Joe Angelese were busy rehearsing and preparing to put on a fantastic performance from the 11th to 13 September. Make sure you buy your tickets early.

Our return to school has been fantastic but a few things to remember. Firstly, girls from Stage 3 (that’s year 5) are no longer able to wear tights to school unless they also wear shorts or skirts over them. We had some situations last year where the wearing of tights caused embarrassment to some girls and also others around them. That won’t happen this year. Any girl from Stage 3 up who wears tights to school will have three options; call home and have appropriate clothing brought into the school, find some appropriate clothing from our clothing pool or spend the day in isolation to avoid any potential embarrassment. We have already had girls choose each of those options and it would be better if the girls simply did not wear tights to school.

After a semester of productive work in our Secondary, reports have been sent home and now it’s time for parent teacher interviews. This is an opportunity for parents and carers to come into the school and have a talk with the teachers of their children. It’s important that we have these conversations because you can get a better picture of how your child is doing at school and you can help the teacher provide a better, more appropriate learning environment for your child by having a discussion with them.

Secondary parent teacher interviews will happen next week, Tuesday, 29 July, interviews will be from 5:30 until 7:30 and parents and carers will need to phone the school (68290511) to book an appointment with your child’s teachers. More detailed information will be sent home in a note with the students during this week. If you don’t get the information please contact the school and we will be happy to pass it on. It would be great to see most parents and carers coming into the school on Tuesday afternoon and evening to talk to teachers about how we can better help their children.

Also happening on Tuesday, 29th July is our regular P&C Meeting that occurs in week three and week seven of every term. Tuesday’s meeting will commence at 5 PM and finish at 6 PM so there will be plenty of time to attend the P&C meeting and also arrange interviews with your child’s teachers.

Just some quick reminders, attendance at school is compulsory and your child should be at school every day that they are able to attend. If they are sick and can’t attend then they must bring a note explaining their absence or you must ring the school explaining their absence within 7 days of the absence. After 7 days we must mark it as an unexplained absence and this could affect government payments. If your child is away for some time because of a family emergency, appointments, travel or for other genuine reasons you can apply for an exemption of school which means those days will not be counted as a normal absence.

If you have any questions about absences or notes please contact the school and will be happy to clarify and make the situation easy for you.
Term 3 is a very busy time in most schools and Lightning Ridge Central School is no exception. This Term, staff and students will be starting to make plans for 2015. It may seem like 2015 is a long way off, but planning needs to occur this Term. Students in Year 10 will need to be thinking about their future career aspirations and what subjects they are interested in studying next year. To this end, a student and parent information evening for Year 10 will be held on Wednesday 13th August. Information about this evening will be sent out to Year 10 parents shortly. A similar evening for Year 8 will be held later this term.

This is an excellent opportunity for parents and students to begin conversations about future plans and how the school can support students to maximise their learning potential to ensure students are well qualified to enter the workforce. Lightning Ridge Central School offers a broad curriculum which will provide students with the necessary skills to access tertiary education, either through TAFE or University. We also work in cooperation with outside agencies to provide students with opportunities to study Vocational Education subjects while still attending school. Our Careers Adviser, Ms. Julie O’Donoghue is available if you wish to discuss your child’s future career options. I look forward to seeing many parents at the information evening and answering any questions or concerns you may have about this important milestone in your child’s progression at school.

The weather at the beginning of this term has been very cold, it is important students are dressed appropriately when attending school. The school has a comfortable and warm uniform and it is expected students will be in full school uniform every day. I have noticed a few students wearing items which are not part of the uniform including coloured jumpers or jackets. Students who arrive out of uniform will be asked to remove the offending item and will be offered a replacement item from our clothing pool. Contact may be made with home so students have the correct uniform. I would ask parents to support the school in ensuring students are coming to school in full school uniform. If you require assistance with uniform, particularly in the colder weather, please don’t hesitate to contact me.

I’m looking forward to a safe, respectful and productive Term.

P&C Meeting Schedule

Term 3  
Week 3  29/July/2014  
Week 7  26/July/2014  
Meetings start at 5pm and run for approximately one hour.  
All Parents and community welcome
JOE ANGELESE
The Musical

Years in the making...
The story of a wayward boy who falls in
with the wrong crowd, until the power of opal
transforms his life - and all those around him.

“Full of wry humour”
“Touches of brilliance”
“...it’s a blast!”

3 NIGHTS ONLY!
11 - 13 September 2014

Music Karen Nicholls • Script Rosie McKellar and Karen Nicholls
7pm Lightning Ridge Central School Hall | Tickets at the school from 21 July 2014 | Tickets only $10
Secondary Student of the Week

Week 2 Year 7
Douglas Winch
Doug is a polite and co-operative student who is always willing to participate actively in his schooling. He always shows a positive attitude and is a good role model to his peers. Doug has improved academically and his helpful nature is appreciated by all of his teachers and friends.

Lightning Ridge Swimming Club

Lightning Ridge Swimming Club in partnership with the Pool Committee will be hosting the NSW Country Regional Swimming Championships in January 2015. This is such an amazing opportunity for the swimming club, the pool and our town!! To make our town shine even more we are asking for volunteers to make this weekend a success. We need qualified time keepers on the day and there will be a course held on Sunday 3rd August. This course will not take long to complete! If you would like to become involved in this great event in anyway please contact Michelle Taylor or Crystal Mahoney.

The date for the Swimming Championships is 10th and 11th January 2015.
Primary Student of the Week

Week 1 Es1T

Jazmin Murray

Jasmin Murray has been awarded Student of the Week for her excellent participation in all classroom activities.

Jasmin is a cooperative student and always completes her work to her highest standard.

Primary Student of the Week

Week 2 S2G

Ashton Murray

Ashton is an outstanding member of S2G. He has displayed excellent leadership skills and enjoys helping others. Ashton always tries his best and is continuously improving in all areas. He is the first to start his work and always follows the school rules. Ashton is a delight to have in S2G. Keep up the great work!
Merit Assembly

Congratulations to all the students who received Merit Awards last week. Those students who received awards should be very proud of themselves. Apart from receiving their awards students will be rewarded with special privileges and activities. Well done once again.

Winter Uniform

Overall this year, the number of students wearing our school uniform has been excellent. However as the weather cools some students have been arriving out of uniform, particularly in different coloured jumpers. Please ensure that you have the correct winter uniform for your students. The uniform shop is open on Mondays and Thursdays from 8:30 - 9:00 AM. If you have any concerns about accessing a uniform please contact Mr Forbes.

The Uniform Shop is open Monday and Thursdays, 8:30am to 9:00am.

Stage 2 Bathurst Excursion

The Bathurst excursion is fast approaching. Final payments are due Friday 25th July. No money will be accepted after this date as we need to provide final numbers to the travel company next week. This excursion will be a great learning opportunity for our kids and I hope as many students as possible are able to attend.

New Staff

Miss Kristi Rankin has started teaching S1F this term. Miss Rankin will have the class until Week 3 which is when Miss Fagan will be returning. Miss Rankin is keen to meet the parents of S1F but if you require a meeting with Miss Rankin please make an appointment through the front office.

NAIDOC Week

Well done to all the staff involved in the NAIDOC Week celebrations last term. They were a tremendous success. Our students loved participating in all the activities and learnt a great deal about Aboriginal culture.

PBL Focus of the Fortnight

This fortnight's PBL focus is on Hands and Feet to Self. Students are reminded that they should be playing games which doesn’t involve any hands on play. Teachers will also be talking to students about ways to solve arguments including ‘Stop, Think, Do’. This encourages students to STOP what they are doing, THINK about what they should do and then DO something positive to solve their argument.
Child Dental Benefits Schedule

The Child Dental Benefits Schedule is a new child dental benefits program. It gives eligible children access to up to $1000 in benefits per child for dental services over two consecutive calendar years.

If your child doesn’t use the full $1000 for dental services in the first year, they can use the balance in the second year if they’re still eligible.

You don’t need to register for the Child Dental Benefits Schedule. Eligible families and teenagers will get a letter from the Australian Government. The letter will generally be sent to the person receiving the government payment.

Eligibility
Children and teenagers are eligible for the Child Dental Benefits Schedule if they’re aged 2 to 17 years for any one day of the calendar year, are eligible for Medicare, and are part of a family that receives Family Tax Benefit Part A or the child receives an Australian Government payment from the list available at humanservices.gov.au/childdental

Your child’s eligibility will be determined each calendar year.

You can check your child’s eligibility and balance through your Medicare online account at my.gov.au or by calling 132 011.

Services covered
Services available include:
- examinations
- x-rays
- cleaning
- fissure sealing
- fillings
- root canals
- extractions.

Orthodontic services, cosmetic dental work and services provided in a hospital aren’t covered.

Accessing the Child Dental Benefits Schedule
Once you know your child is eligible, make an appointment for your child with a participating private or public dentist and let them know you’ll be using the Child Dental Benefits Schedule.

The dentist must discuss your child’s proposed treatment and the likely costs with you. You’ll also be asked to sign a consent form. You should only sign the consent form after you’ve discussed and agreed to the treatment and the costs.

Remember to take your child’s Medicare card to the appointment.

Shared care arrangements
If your child is in equal shared care arrangements, both parties will be notified of the child’s eligibility for the Child Dental Benefits Schedule. Regardless of which parent or carer organises the child’s dental care the $1000 benefit cap can’t be exceeded.

Paying for the services provided
Bulk billing
If your dental bulk bills, you don’t need to pay for services or submit a claim. The cost comes from your $1000 benefit cap.

Private billing
If your dentist doesn’t bulk bill, you’ll be issued with a private account which you need to pay. You can submit your claim for benefits:
- electronically at the dental surgery, if your dentist offers electronic claiming
- by downloading the Medicare claim form and posting it to the Department of Human Services, GPO Box 9822 in your capital city, or putting it in the drop-box at one of our service centres
- in person at a Medicare Service Centre, or
- by calling 132 011.

More information on claiming is available at humanservices.gov.au

Search for Medicare services.

If your dentist charges more than the amount you get back from Medicare, you must pay the difference. Out-of-pocket costs don’t count towards the Medicare Safety Net or the Extended Medicare Safety Net thresholds.

You can’t claim a payment for the same dental services from both a private health insurer and Medicare under the Child Dental Benefits Schedule.

Hello and welcome to our most exciting term of the year!

I thought I would just list our library events so as to make it easy for you to digest and plan for this term. Students and teachers have been given detailed information on what’s happening and I am always happy for you to contact me for further clarification. You are always welcome and I encourage you to be part of all of our activities.

What’s Happening in the Library Term 3

**Tuesday 22nd July**

**Week 6: Book Week** (after mid term break) Theme is *Connect to Reading*

**Tuesday 17th – Friday 22nd August in the library**
Book Fair (Books for sale from Collins Book sellers in Tamworth for sale)

**Tuesday 19th August**
K-12 Bake a Book competition. Cakes delivered to library by recess.

**Wednesday 20th August**
K-6 Placard Parade. 9.10am in Junior Quad.

**Thursday 21st August**
Judging of K-6 colouring competition on Book Week theme: *Connect to Reading*

**Friday 22nd August**
Oral reading Competition finals in Hall. 9.30am
Lightning Ridge Central School had ten students participate in the University of New South Wales Computer Skills Competition and fifteen entered the Science Competition. Jock McKenzie, Year 3 and Carter Bevan, Year 8 both received Merits in the Computer Skills Competition with Casey Rice-Jones receiving a Credit. Year 6 student Tom Barrett, Logan Bevan, Year 10 and Casey Rice-Jones also in Year 10 received Credits for their efforts in the Science Competition. Charlie Taylor had our best ever result.

A huge congratulations to Charlie Taylor who received a High Distinction in the NSW University Science Competition. This shows that Charlie is an Australia wide Science high achiever. He is in the top 1% of year 5 students who sat the test. Truly amazing.

I look forward to seeing Charlie’s progress later in life.
Merriman Shearing School

Amazing, infectious, positive & successful are some words that come to mind when I look back at our day in the shearing shed at Merriman, Brewarrina.

During NAIDOC Week, in Term 2; Mrs Caley and I took a bus full of students to Brewarrina. Leaving at 8am, we arrived at about morning tea time. The kids jumped off the bus and were led with enthusiasm to the shearing shed by Kylie. It was so exciting to see so many of the young people who were participating in the 16 week course. Instantly we were greeted with a warm and welcoming smile from Tom Nagy and Jack Thompson.

All the visiting students were encouraged to ‘dig in’ and have a go. Tom, Jack, Mitchell McGovern, Jaxon Tuhura and Maxi Troutman (as did all the students) set out to get everyone involved. To begin with our kids watched with total concentration at what was happening but it wasn’t long before the kids had a go. Kylie stepped up eagerly to have a turn at shearing and then all the kids were wool handling, shearing or helping to get the sheep from the pens. The patience, encouragement and care that that everyone showed our kids was amazing. Jack Thompson was explaining what happened at the wool table and how to pick up a fleece and Tom Nagy demonstrated his new skill of expertly shearing a sheep.

We stopped for a yummy lunch in the dining room and it was fantastic to see the kids included and absorbed in the lunchtime conversations. Tom shared his experiences about his recent trip to Tasmania with the Merriman mob, and the new skills that he had learned. All the students of the Merriman Shearing School were looking forward to heading out to the real world of work in the sheds and were proud of their achievements.

At about 2.45pm we boarded the bus and headed home. The behaviour of our Lightning Ridge Students was impressive. Well done!

I must thank Ian Bateman (Boof) and his team of skilled teachers and mentors who were happy to share with us a typical day in the Merriman Shearing Shed. Thanks also to Mrs Caley & Ms O’Donoghue.

I can’t wait to head back to Merriman with another group of kids. Cheers, Mrs Lehman
Monday 28th July 10:00 am
