From the Principals Desk

It has been a busy and exciting two weeks at Lightning Ridge Central School. Since our last newsletter we have successfully competed in the under 15 Boys Basketball in Walgett and the team is now looking forward to playing the next games in Collarenebri. Special thanks to Mr Markham for all the time and effort he has put into coaching this team.

Students have also enjoyed the Goodooga games again this year competing in a variety of events and having a terrific time participating in a variety of sports. Thanks to the Goodooga staff for organising this fantastic day. It was great to have the team from Boggabilla staying overnight in our school gym.

We also had a group of about 50 Cubs from Grenfell stay in our Gym for the weekend and they were able to enjoy Lightning Ridge and the surrounding area and marvel at the fantastic facilities of our school. They were all jealous that we have such a great school!

Last week was incredibly busy with our school photos being taken on Monday and Tuesday and also on Tuesday was the University of New South Wales math competition where students test their skills in mathematics against students from around the country. Wednesday saw some of our students heading off to the Moorambilla Regional Choir for the rest of the week and some students heading to Walgett to complete in the Jenny Wright shield in netball and Ricky Walford/ George Rose Shield in rugby league. All students had a fantastic time and it is great to see our students compete in a spirit of good sportsmanship and enjoying the interaction with other schools. Thursday saw our older boy’s head down to play in the Neville Thorn Shield for rugby league. These young men also had a terrific time and represented our school very well. Thanks to all the teachers who have given up a lot of time in training, organising and supporting these students during these competitions.

This week sees the primary girls and high school students at Moorambilla Choir and Tuesday night was our Year 8 subject selection evening. It was disappointing that only a small number of students and parents attended our evening but these families, who showed an understanding of the importance of education for their children, are now fully informed and the children will be able to make the best possible choices for their continuing education. Thanks again to the staff who gave up their evening to come along and support the students and families of Lightning Ridge Central School.

With so many things happening every week in our school it is very important that we are incredibly well-organised to make sure that things happen smoothly.

2014 School Newsletter now available online, check out our website on www.lightningr-c.schools.nsw.edu.au
Continued.

One thing that did not happen smoothly last week was an unannounced visit by a fleet of cars from the variety bash. We did not know the cars were arriving but despite this our wonderfully flexible staff and some parents worked hard for the morning to ensure the safety of all students and gave all students an opportunity to enjoy the unexpected parade. I do apologise to any parents or community members who were inconvenienced by having the street blocked and we do ask that in future any events around our school be notified in advance.

A big part of being organised is knowing beforehand what’s happening and who will be involved in any events around the school. We continue to try to get notes home to parents as early as possible and we do encourage parents and students to return permission notes as soon as possible so that we can organise transport and accommodation if necessary and all the other things that go into a successful school excursion.

Unfortunately in trying to accommodate late entries to excursions we regularly run into problems. For this reason all permission notes from now on will go out with a date by which they must be returned to the school office. If for any reason a child cannot return the permission note before that date the office will not accept, and the student must go and see the teacher organising the excursion and explain the reason for their lateness, if the reason is something unavoidable they may be able to attend. Unless a student has a permission note signed by a parent or carer we cannot allow participation in any event.

**IT IS VITAL THAT PERMISSION NOTES BE RETURNED BY THE DUE DATE IF STUDENTS WISH TO PARTICIPATE IN EXCURSIONS OR OTHER EVENTS AROUND THE SCHOOL.**

The next few weeks of school look to be even busier with our fantastic staff organising additional activities almost every day. It is terrific to see students engaged in learning in exciting activities and those activities include a range of sports and cultural activities that take place both inside and outside the school and each one is chosen carefully for the educational and social benefits of our students.

It is important for parents and carers to be actively engaged in students school life and to this end we will be organising a number of consultation meetings to get feedback on what parents and carers feel should be the priorities of this school for the next three years. I look forward to seeing as many people as possible at those meetings and hearing a lot of positive feedback on what the needs of our families and communities will be into the future.

---

**A reminder to parents & students that it is a requirement for all students to wear suitable footwear to school.**

For Sport & PE, students should wear shoes that have tread or grip. This is to reduce the chance of students slipping over when playing sport or PE in the gym and injuring themselves.

**We encourage students to wear appropriate footwear to sport and PE to ensure their safety whilst participating in sporting activities.**

Thankyou for your support

*PE & Sport Staff*
Book Week

Books play a very important role in helping students to learn. Students who love reading, generally love learning. At Lightning Ridge Central School we try to grow our students love of reading from Kindergarten. This week is our annual celebration of Books “Book Week”. There are many activities planned for and I would encourage parents to come down and get involved whenever you can. I would like to thank our wonderful Librarian Penny Fahey for her enthusiastic organisation of this event. If you have any questions about the week please do not hesitate to contact the school.

PBL Focus of the Fortnight

This fortnights PBL focus is Show Respect. Being able to show respect to others and respecting yourself is a quality that we want all our students to develop. The school believes respectful students always speak nicely to each other, use manners, help each other out and value everyone’s contributions. To help foster a respectful school we run a program called Peer Support which enables our Stage 3 students to work with the younger students. The students participate in a range of activities led by the Stage 3 students and all of the activities aim to teach students the fundamentals of respect. For more information on this program please contact your child’s teacher.

Merit Assembly

Our next K-6 merit assembly will be held this Thursday 21st August. The Assembly will be held in the Gym at 9:45. Mrs Taylor is presenting Regional Athletics ribbons. We would love to see lots of parents there to help celebrate our students successes.

GHANA Beat My Drum

Last week we were visited by a Jonas Tandoh. Jonas is a skilled performer from Ghana. Using a series of traditional drums he tells stories from his home country. All the students (and teachers) were thoroughly engaged and entertained by his energetic and humorous performance. To find out more about the performance please look at the following link which will give you a snapshot of his performance. http://www.schoolperformancetours.com.au/spt/shows/2014/GhanaBeatMyDrum.php
Primary Student of the Week

Week 5 S2/3D
Dante Bell

Dante has been awarded student of the week for his consistent effort in all key learning areas. Dante always shows respect and follows instructions.

Primary Student of the Week

Week 5 MCT
Jay Kelland

Jay has been trying his best to follow the rules in the classroom and playground. Well done Jay!
Secondary Student of the Week

Week 5 Year 10
Catherine Sisa

Catherine is an enthusiastic student who makes an effort to engage with her learning by ensuring that she is always up to date on all class work. She takes on leadership roles within the school and uses initiative to organise not only herself but others. She is motivated and completes tasks to an outstanding standard.

Stage 4 MC

This term for Science, the Stage 4 MC class will be studying ecosystems. In this unit, students will be exploring ecosystems to gain an appreciation that we all have a responsibility to care for and protect the environment. Recently, the students visited the Lions Park to identify and discuss possible small ecosystems that are in their local area.

The Stage 4 MC and Stage 5 MC have teamed up again for PD/H/PE. Each week in PE, students have been participating in a range of team sports. Cricket, slider hockey and basketball are some of the sports the students have been enjoying.
In the last few weeks the senior MC class have been working on building models of buildings. So far we have built the Chrysler building in New York, The Brooklyn bridge in New York, as well as the White House in Washington DC and the Taj Mahal in India. The building projects teach us to plan our time and help us work on our really fine motor skills. When we are really stumped by a puzzle we use the camera to take a picture BEFORE we pull it apart.

We are planning another fishing camp. Later in the term we will return to our second term fishing spot. We are hoping there are more yabbies and fish this time around. Jesse will miss out because it looks like he will be going to the Shearing School for 13 weeks. He will be paid good money but he will be working very hard.

In History this term we have been exploring Aboriginal settlement of Australia, and we are about to start working on the European settlement of Australia. Tyson is looking forward to finding out more about the two World Wars.

In science we have been studying acids bases and some chemical reactions as well as the periodic table of the elements. We continue to rule at Slider Hockey in the Gym.
Since the start of Term 2 LRCS has run a program with Year 7 students called *Rethinking Challenges, a module which focuses on resilience*, from the Peer Support Australia Organisation.

The Peer Support Program is a skills based, experiential learning program. It encourages peer connections throughout the school and assists students in developing practical skills to enhance social and emotional wellbeing such as resilience, optimism, assertiveness, decision making, problem solving and leadership.

It assists in achieving and maintaining a positive school culture by empowering young people to support each other and contribute positively to their school and community. The Peer Support Program involves a whole school approach which includes teachers, parents and students.

The module, *Rethinking Challenges*, is based on the evidence resilience can be developed within students by recognizing and utilising protective factors and employing a range of strategies in challenging situations. During this module students are encouraged to view challenges as opportunities to push limitations they put on themselves and be open to new possibilities. Students look at the influence out thoughts have on the way we view certain experiences.

Throughout module students explored a number of skills, strategies and processes to enable students to think optimistically, despite the need for effort, perseverance and change. These included; responding resiliently to challenges, acknowledging their skills and achievements, identifying people who support them reflect on how they view achievement, success and failure, supporting each other in their transition to secondary school and take responsibility for their own wellbeing.

So how does it work?

Before rolling the program out to Year 7 students’, six Year 10 students took part in a 2 day leadership training program facilitated by Liz Meek, using training developed by Peer Support Australia. The students who volunteered and committed to the program were; Chloe Armstrong-West, Logan Bevan, Ned Hallett, Catherine Sisa, Katie Thomas and Zach Webb. Paired Peer Leaders, supervised by a teacher, then co-facilitate structured activities with groups of approximately 8-10 students from Year 7 for the duration of the module.

What did we achieve by the end of the module?

The measure of achievement for a program such as this is difficult to quantify. Indeed responses from students in the last session debrief regarding this question varied from ‘this is boring and dumb’ to ‘I really liked meeting up with my Peer Leaders and doing different stuff’. However, as the program progressed I observed the majority of Year 7 students became increasingly confidence to actively participate in the activities and share their thoughts and opinions with the group as they developed a sense of belonging within that group. I also observed the Peer Leaders develop keen leadership and communication skills and a genuine desire to help younger students.

So, upon reflection the students achieved many things by the end of the module. It is hoped Year 7 of 2014 will volunteer and commit to helping others when they are in Year 10, but until then they have strengthened their connections to each other and now have the skills and strategies to rethink challenges that life throws at them.
Day 1

We travelled to Sydney for our exciting week with the UNSW Aspire crew. Down the highway we picked up students from other schools, such as Walgett, Coonamble and Gilgandra etc. We met a lot of people we didn’t know and slowly we started to chat. After a long bus trip we boarded the train for an even longer, exhausting trip to Sydney. At Central Station we met the ASPIRE staff and our ambassadors. The ambassadors are UNSW university students who give up their time to look after us and show us around Sydney. It was a short walk to the YWCA Hotel near Hyde Park. Before going to bed we were put into groups and got all our gear. The Ridge were put with Walgett. Tired but looking forward to the week ahead we went to bed.

Angus Hallett

Day 2

We woke up at 7:20am, had breakfast in the cafeteria and met up with our ambassadors. We got on BUS 2 and departed our hotel for Centennial Parklands. We drove through the city & experienced Sydney traffic. When we reached Centennial Parklands we were given an overview of the week and a chance to know our ambassadors better, Livia and Richard, who are studying at UNSW. Lightning Ridge and Walgett students were in group RED. We then departed Centennial Parklands for Google Head Office. We all thought it was going to be a boring talk-fest discussion but they proved us completely wrong. We had lunch first and had a bit of a talk about GOOGLE. Then guess what we had tour and then we realised people who work there are really lucky. They had a game room, massage room, categorised food and scooters to get from one building to another. We departed Google for Observatory Hill for a group photograph and a school group photograph. The view of the city from there was amazing. We then went indoor rock climbing. First we were all a bit nervous but when we got the hang of climbing with the ropes and uncomfortable harnesses, we were awesome, especially Carter who was a natural at it. For dinner we ate delicious wood-fired pizza and Nutella and banana pizza for desert. LIGHTS OUT 10:15pm.

Swastika Sharma
Usual routine and we're off to Border Security and Customs at Sydney International Airport. As we made our way inside the border security officers did something that saddened all students but made Miss Meek extremely happy. She was so delighted it was probably the only time I have ever seen her with such a big smile!!! Yep that's right they confiscated our phones and any other electronic device (emphasise on confiscated).

Finally, we were separated in to two different groups and we were assigned to two different activities. In my opinion our activity was way better. On arrival at the Sydney International Boat Terminal our identities were checked again….three times in total! I know who I am now!! The tour through the interior of the hugh Carnivale Spirit was an amazing first-time experience. It was my first time on a boat this big. The photos that were taken from the boat of the magnificent Sydney Harbour better describe the surroundings but hardly do the harbor justice. The view was incredible, the Opera House, the Sydney Harbour Bridge, Circular Quay and all, I mean it’s way better than usual trees and bushes we see around Lightning Ridge. When we got back to Border Security we had a BBQ on the building roof top, again with excellent views, and to our surprise we were given our phones back. One word, heaven.

Next stop, Laser Siege. Quick Summary; fun, sweaty, a lot of rivalry and an Italian instructor. Angus thinks he killed it, but I’ll just agree to make him look good in the newsletter. Dinner was at Sizzlers, just next door to St George Leagues… Miss Meek demanded no phones allowed at the dinner table and we socialise with people around us, typical! Actually it wasn’t that bad. Dinner came and then all you can eat dessert (highlight of the night). Back to our hotel and lights out at 10:00pm.

Patricia Acala
Day 4

On Thursday the 24th of July, the ASPIRE group went to the University of NSW to get a taste of what life is like as a university student. I’m sure everyone, just as I did, they really enjoyed this day. I was really inspired by what opportunities and courses offered at university and I have stronger thoughts and emotions towards what I want to do when I finish school and what I want to do in my future life. The experience was interesting (especially the food) and the people were friendly. I hope to see the university again when it’s my turn to go!

After our time at UNSW we did a spot of shopping at Broadway Shopping Centre. Ho-hum, but judging from the shopping bags that were on the bus heading back to the hotel lots of others really needed some shopping therapy. Once back at the hotel we had an hour to ‘doll ourselves up’ for the dinner and dance harbour cruise.

On the boat we were all really excited checking out the decks and the harbour views. It is absolutely beautiful at night, I mean the lights are so pretty. We have our beautiful stars out at the Ridge. After dinner we danced a bit and many meaningful speeches were made.

Back to our hotel and lights out at 10:00pm.

Carter Bevan

Day 5

Up at 5:30am, ugh… Coffee. Head down stairs, count five heads, all accounted for, love those ambassadors. During my auto-pilot mode I recall a student pleading to stay longer, they were having too much fun, they had made really good friends and the time in Sydney went much too fast.

Next, a bus to the train, say goodbye to new friends, and promises to keep in touch. 7:15 am on the train, only twelve hours!! Kids, remember NO sugar. I hope you had great time and got you thinking about your life after school.

Elizabeth Meek

We loved our time in Sydney, we made many new friends and even though we love living in Lightning Ridge, Sydney doesn’t seem so big and bad after all. This opportunity was only possible because UNSW runs and pays for the entire program and LRCS is willing to be a part of it, thank you. Oh yeh, thanks heaps Miss Meek for taking us. Sorry you got so sick, we all shared that special connection!

Angus, Swatika, Patricia, Carter and Xanthe.
On Thursday 7th August six Lightning Ridge students, Swastika Sharma, Malcolm Hancock, Cassidy Finne, Madyson Tooth, Trent Hawkins and Douglas Winch travelled with Miss Francis and Beck (our School Chaplain) to Goodooga to participate in the 2014 Indigenous Games Day.

The Indigenous Game Day was initiated to honour the memory of Kane Mason who died in 2003. Kane was a Goodooga local and an accomplished sportsman. The day had the theme of fair play and sportsmanship. Students and staff played indigenous games.

The Goodooga central school staff and local community provided a great lunch that was appreciated by all. Swastika Sharma was given special recognition with an individual fair play award.

Beck Arthur – School Chaplain
Congratulations to our primary students who were selected to compete in the Ricky Walford/George Rose Gala Day & Jenny Wright sheild on Wednesday 13th August at Walgett. The event was held in Walgett, with Lightning Ridge Central School competing with Schools from across NSW.

“It was a long bus trip to Walgett and when we arrived it was freezing!! Unfortunately we missed our first game. But our second game was fun and, although we didn’t win we tried our very hardest: Our second last game was versus Gosford and we Won! We were the only team that won against the Gosford team. We had a great day and lots of fun… We also got ice-creams and lollies”
Chloe, Cassidy and Luca

“Jenny Wright was a great experience for our Netball Team. We tried our very hardest. There were lots of teams including girls all the way from Sydney!! We were all proud of our achievement and had a fantastic day”.
Maddy Tooth
25 July 2014

Dear Principal,

Each year St Joseph’s College, Hunters Hill, hosts the Marist Sony Children’s Holiday Camp. This year will mark the eleventh annual camp at the College. Pleased find enclosed an information pack about the camp and some brochures you may like to hand out to parents/carers of children you think will benefit from the opportunity to come to camp.

This year the four-day camp will commence on Friday 5 December and conclude after a Christmas party for the children on Monday 8 December. The camp is open to boys and girls aged 5-15 years who have special needs. There is no cost to parents/carers.

It is a great pleasure to be able to offer children the opportunity to participate in a camp that is full of fun. Our guests are cared for by senior boys from St Joseph’s College and senior girls from Marist College, Woolwich and Brigidine College, St Ives. The student carers receive training before the camp and are well supported by a medical team, school staff and many volunteers.

In order for us to offer placements could you please ask interested parents/carers to complete the enclosed application form and return it by Friday 5 September 2014.

Applications and enquiries should be addressed to:

 Sr Helen Peters  
 St Joseph’s College Health Centre  
 Locked Bag 5009  
 Gladesville NSW 1675

In processing the applications, initial preference will be given to families who have not already participated in a Marist Sony Children’s Holiday Camp. However, this does not exclude families who have previously attended from re-applying for 2014.

Successful applicants will be contacted as soon as possible after the closing date and will receive additional information and forms to be completed and returned to the College prior to the camp.

If you have questions regarding any aspect of the camp please do not hesitate to contact the staff member responsible for the care of the children during the camp at St Joseph’s College:

 Sr Helen Peters

Saturday 30 August from
10:00am-1:00pm.

Beyondblue is currently completing a 30,000km National Roadshow which will see us take a big blue bus around Australia to increase awareness of depression and anxiety, facilitate access to services in local communities together and challenge the stigma associated with mental illness by promoting community-wide conversations.

Further information can be found on our website:

P & C

Meeting & Annual General Meeting

Tuesday 26/08/2014

Meetings start at 5pm and run for approximately one hour.
All Parents and community welcome
THE BASH STORY

In 1985 Dick Smith and his mates ran a charity event called a "Bash" in the outback. They laughed their way around a designated route to raise money for sick children.

The Variety Bash is not a rally or race. It’s an opportunity to join like minded people on an adventure to explore the remote corners of the outback while fundraising for special needs children and their families.

The Bash visits a variety of schools along the way so children can see the ‘crazy cars’ and feel the magic that is Variety Bash.

Whilst dining at the bowling club on Wednesday night, the ‘Steve Irwin’ crew noticed a poster for ‘Abby’s Big Day on the Green’. They passed their hat around and raised $2248 for our local girl Abby. We thank you!!
# Canteen Menu Term 3 2014

## Snacks (Recess & Lunch)
- **JJ's chick/pizza/burger/s&v pkt** $1.00
- **Grain waves sour crème** $1.20
- **Go cookies choc chip lite/Anzac bisc** $0.80
- **Snack pack choc /vanilla 140gm** $1.50
- **Yoplait yogurts vanilla/strawberry 175gm** $2.00
- **Cheese sticks** $1.00
- **Lite sara lee muffins choc** $1.80
- **Popcorn** $1.00
- **Fun buns (plain or cinnamon)** $1.80
- **Bacon & cheese rolls** $1.50
- **Fresh fruit banana/apples/oranges** $1.00 - $1.20
- **Fruit salad or peach cups** $1.30

## Drinks
- **Spring Water 600ml** $2.00
- **Quench 10% juice blue/cola/pine lime/orange**
- **Apple raspberry** $2.20
- **350ml Orange/apple/tropical juice** $2.30
- **Poppers apple/orange/tropical** $1.80
- **300ml choc/strawberry/banana milks** $2.50
- **Big M choc/strawb lite ctn milks 250ml** $2.00
- **Nippys reduced fat choc/strawb/honeycomb**
- **Iced coffee 375ml** $2.30
