Lights, Camera, Action for Joe Angelese

Tales of stolen opals, Ratters, true love, growing up and unexpected talent right under our noses. And that’s just the opening scenes of our school production Joe Angelese!

Joe Angelese will be showing at school next week for 3 shows only. Joe Angelese is the result of years of work by Karen Nicholls and a cast of dedicated actors and crew behind the scenes. Tickets are sold at the school front office, but get in early as there will be no additional performances and tickets are selling quickly.

While the story in our musical is about unexpected talent, making good choices and growing up so is our school. During this week we have seen, as usual, some very mature and responsible behaviour from most of our students and for those of you who follow Facebook you’ll have seen a tiny glimpse of some of the fantastic quality work that is achieved by students here every single day as well is information from our stage 2 Bathurst excursion.

As our students mature and act responsibly they earn many more opportunities to show their talents. Last week two of our students Beau Kelly-Fing and Jesse Harvey went to join the Merriman shearing school to spend time learning the art of shearing. Some of our students previously have gained an apprenticeship to become a full-time shearer after impressing the trainers. We wish both Jesse and Beau good luck at the school and encourage them to work hard, follow instructions and gain the most out of the shearing school as we encourage all students at Lightning Ridge Central School to do this every day.

I was very fortunate last week to be able to accompany Miss Fagan, one of our talented young teachers, to a presentation at Parliament house Sydney. Miss Fagan was one of 300 teachers across New South Wales who applied to participate in the Premier’s research scholarship program, she was one of only 22 teachers who were successful. Miss Fagan will be researching ways in which new technology can be used to engage and enhance the learning of indigenous and isolated students and the results of her research will be reported back to teachers all across New South Wales as well as assisting students here. Unfortunately that will mean we will loose Miss Fagan for a few weeks next year as she travels to Canada, the USA and also has some study time in Sydney.

This is a great honour and a great opportunity for Miss Fagan but also an expression of the quality of the staff at Lightning Ridge Central School who come here each day to do their best for your children and are constantly researching and learning themselves to be able to do their job better.

Dyslexia Screening and Lens Assessment

On Monday the 20th & 21st October.. Erin Young from the Dubbo Irlen Dyslexia Clinic will be coming to Lightning Ridge to screen or test children for Irlen Syndrome (formerly known as Scotopic Sensitivity Syndrome).

Children/adults use coloured overlays or glasses to help process visual information. Symptoms can include: Light sensitivity, reading problems, discomfort, attention and concentration problems, writing problems, depth perception and word distortion.

Costs: Dubbo Irlen Dyslexia Clinic prices
The basic screening costs $98 and takes 1 hour
The second assessment is for the coloured overlays/lens assessment and costs $198
Coloured lens costs a minimum of $200 (Plano only, no script)

Should you wish to have your child assessed or reassessed please contact Jasna at Lightning Ridge Central School 6829 0511 and I will put you on the list.

Also, Diane French who lives in Lightning Ridge is qualified to conduct basic screening. If you want to have your child screened before 20th October, contact Diane on 6829 2296.
Choir
We are very lucky to have the very talented Miss Katie Thompson running the student choir. Students are encouraged to attend choir practise on Tuesday’s and Wednesday’s at lunch time. Students who regularly attend practise will be invited to perform at a number of events throughout the rest of the year. If you would like more information on the choir please contact Miss Thompson through the school.

PBL Focus of the Fortnight
This fortnights PBL focus is Quality Work. As a school we value students who take pride in their work and also try their best. It is wonderful to see so many students showing me quality work and I know there are many students who are constantly doing this at our school. I am sure it will be these students who are consistently completing quality work who will be attending our end of year pool party for receiving their Opal Award.

Upcoming Events
Next week will be very busy for a number of our students and teachers. On Monday and Tuesday Stage 2 and 3 are having visits from the Red Cross who will be here to discuss healthy eating habits. They will be making healthy sandwiches and engaging the students in a range of practical demonstrations. Also next week Stage 2 will be involved in a workshop provided by the State Library of New South Wales titled ‘FAR Out! Treasures to the Bush’. This is a free presentation that brings original items from the State Library of NSW collection to regional and remote NSW schools. The presentation weaves the story of the State Library of NSW into an interactive and curriculum-linked experience. The items on tour are original, historical artefacts that very rarely leave the Library, and they are used to illustrate aspects of Australian history that link directly to the Stage 2 HSIE syllabus.

Kindy Start
Lightning Ridge Central School has proudly always ran a highly successful Kinder Start program which prepares our new Kindergarten students for life at school. In Term 4 this year the kindergarten students of 2015 will again be involved in this program.

Staff Changes
For some time now our Instructional Leader Miss Natalie Johnson has been on leave. Unfortunately Miss Johnosn will continue to be on leave for several more weeks. Due to this Mr Forbes will relieve in the Instructional Leader position and Mrs Penny Lehman will take on Mr Forbes’ roles. These changes will have minimal impact on the day to day running of the school and are hopefully only for a very brief period time.
What a wonderful Book Week we had!

I felt rather flat when it was over...a bit like the *Cat on the Mat is Flat*. This book was both my Placard this year and also my cake for the Bake a Book. As the theme for Book Week 2014 was *Connect to Reading* I wanted a book that many of our students had connected to over time. It was even a book chosen for the Oral Reading competition by Ashton Murray. When you find a good book, share it. That is how we connect by sharing. A love of books is a great thing to share. I feel Book Week did this for K-6 and perhaps Secondary will become more involved in 2015. Thank you to the Middle MC class for baking a cake for Bake a Book.

The first Book Week event was the Bake a Book Competition. While there were not as many cakes as last year, the cakes were fantastic and each book was very recognisable. What talented students and families we have. I hope students enjoyed eating their work at the end of Tuesday. Thank you parents, as kids in the kitchen is not always fun! Students got to view the cakes and delight in the way the books/cakes were presented. I am sorry we cannot put all the cakes in the newsletter, only the winners from each stage, but you will see what a great effort was made by just seeing a selection.

Participation in the Placard parade on Wednesday was excellent. It was great to see how much effort some students had made. Again other students were able to see the quality work produced by students and discuss the books that were represented on the placards. It was a happy event as you can see from the photos. Most students made their placards at school but the ones that were made at home really were excellent, so again parents thank you for helping in this regard. Leilani Spicer and Billy Thompson were the lucky winners of a book from the Book Fair when their names were drawn out of the names of students who had done placards.

The Book Fair, with books from Collins Book Fair created a lot of interest. Thank you to Kerrieanne for running the Book Fair and also travelling to Tamworth to collect the books and return the unsold books. Having quality books for sale allows our families to have a Bookshop in the library without travelling away. Our library will receive a percentage of sales.

Thursday the Colouring Competition ended and Stevie-Lee Scott was the winner of this with a carefully produced piece of work with wonderful use of colour.
Friday was the finals of the Oral Reading Competition. This event was held in the library and it was good to see many parents attending. The finalists from each Stage are listed below:

**ES1B:** Lilly Fields, Izabella Mallouk and Paxton Kalluski—equal winner.

**ES1T:** Isaiah Seaton, Levi McCabe and Jazmin Murray—equal winner.

**MCT:** Kirra Evans

**S1M:** Rianna Haverhoek—winner and Dain McKay

**S1F:** Thomas Pickering and Brianna Kotru

**S1W:** Bryce Abel and Brandon Dos Santos hall

**S2G:** Billy Thompson and Ashton Murray

**S2B:** Nakai Bleasdale and Corbin Sweeney

**S2S:** Lilia Taylor—winner, Adam Newton and Tiahla Walsh

**S2/3D:** Kyhnan Samuelsson and Karlie Haverhoek—winner

**S3M:** Daemen Thompson and Jane Crutchley

**S3L:** Khayden Morgan and Sophie Bienke

Cilka Zagar and Barbara Moritz were our adjudicators and enjoyed their time listening to our best readers. Both Cilka and Barbara spoke to the students and I am hopeful that we can involve these talented people in the lives of our students in the future.

All entrants received and certificate and the winners received books which were provided by Books in Homes. Books in Homes also provided two children’s cookbooks which were prizes in the Bake a Book Competition.

I have enjoyed reflecting on book Week. I hope you have too. If you have any suggestions to improve our LRCS Book Week event I am happy to hear your thoughts.

Best wishes and thank you for your interest in books.

Penny Fahey Teacher Librarian.

Maverick Brenton of Year 11 is our Secondary Student of the Week, this week. Maverick has displayed a positive attitude towards his education with his return to the school. He has produced quality work and consistently demonstrates his motivation to studying for the preliminary HSC. Maverick is a polite and helpful student.

Tiahla Walsh of S2S is our Primary Student of the Week, this week. Tiahla displayed excellence in oral reading for Book Week!
Secondary Student of the Week

Week 8 Year 9
Elisha Jones

Elisha volunteered to assist year 12 students with their reading and writing during their trial examination and used her own initiative to ensure that she was in the right place at the right time to help them. Elisha consistently works well in class and completes quality work.

Primary Student of the Week

Week 8 S1W
Samuel Anderson

For outstanding application to all areas of his learning.
Well done Samuel!
Last week 41 students from Stage 2 travelled to Bathurst for a four day excursion. Over the four days students participated in a range of activities including gold panning, walking through an underground gold mine, visiting the fossil museum and participating in life on the gold fields activities. Mr Forbes, Miss Gamble and Miss Ingham would like to thank all the students who attended for their excellent behaviour and attitude. It has been very pleasing to hear from students about what a great time they had. The teachers were also very proud of our students when we received a letter from Newhaven Park House where we stayed explaining how respectful and tidy our students were. This makes us keen and excited to organise more excursions like this one in the future.
Hello my name is Beck! I am an interfaith Chaplain having begun my career in hospital chaplaincy in Melbourne and Port Macquarie before moving into school chaplaincy six years ago. Prior to my recent move to Lightning Ridge I was school chaplain at Kempsey High school. My training and qualifications enable me to work with people of varying Christian and non-Christian faith systems. I see my role at LRCS as being of support to students, their families and to staff. I do not and will not push any particular faith belief. My family background is in funeral directing which I worked in for many years and this led to me becoming a grief counsellor with a specialisation in paediatric grief. Isolation is not new to me as I’ve lived in both Africa and the Northern Territory in the past. I am enjoying getting to know people in Lightning Ridge and I am available Tuesday and Thursday or by appointment.

I have organised for LRCS along with the local community to be fitted from an initiative by Niagara Park Public School on the Central Coast. Niagara Park Public were made aware of how cold the winter can be in Lightning Ridge, so the school SRC, Therese Darch (Teacher) and Lindsay Cameron (Parent) held a mufti day and instead of asking for a gold coin donation asked for a blanket, jumper or school shoes to be donated. The response was overwhelming and 40 boxes of donations were delivered by Tamex transport. Niagara Parks school principal Adam Boulus hopes it will become an annual project for his school. The items are being distributed and so far have assisted students, their families and the Lightning Ridge Safe House.
We are very excited to announce that our KindyStart Program will commence in Term 4.

KindyStart provides children who start Kindergarten in 2015 with the opportunity to participate in activities that help prepare them for school.

KindyStart information packages are being sent out to all children who are eligible to start Kindergarten in 2015.

If your child, or a child that you know of, does not receive a package, please contact Michelle Taylor at the school on 02 6829 0511.

We look forward to meeting all of our KindyStart children and welcoming their families to our school next term.

Every day more than 1.1 million Australians have difficulty communicating says local speech pathologist Lisa Newnham, who is raising awareness during Speech Pathology Week, 24-30 August, in the Lightning Ridge community.

Speech pathologists are aiming to make Australia a ‘Nation for Communication’ by increasing the understanding of communication disorders and how they impact on people’s lives.

“It’s estimated that one in five people will experience communication difficulties at some point in their lives. This can range from mild to very severe and can impact on the way they participate in family life, the community, education and the workplace.”

Around 20 per cent of four year olds have difficulty understanding or using language.

But speech disorders don’t just affect the young. At least 30 per cent of people post-stroke suffer loss of language, with 85 per cent of those with Parkinson’s disease having voice, speech and/or swallowing difficulties.

Three in every 1,000 newborns have hearing loss, which without intervention can affect their speech, language and literacy. Indigenous children have three times more hearing problems than non-Indigenous children.

These are the challenges that confront speech pathologists every day.

Over 1.1 million Australians have a communication or swallowing disorder that impacts on the quality of their life. That is roughly the same number of Australians who live with diabetes! And three times the number of Australians who suffer from dementia.

“Speech pathologists are specialists in all forms of communication. We work with people to maximise their ability to communicate in a way that best meets their needs and abilities,” said Lisa.

They work with people who have difficulty communicating because of a wide range of reasons that can affect speech, language and communication.

Speech pathologists work in a wide range of settings – schools, hospitals, nursing homes, universities, kindergartens, rehabilitation centres, community health centres, private practice and mental health services.

For more information about Speech Pathology Week visit www.speechpathologyaustralia.org.au
Dear Community Members,

PRESENTATION DAY 2014

The Lightning Ridge Central School Presentation Day will be held on Friday 5th December at 9:30 am in the school gymnasium.

We would like you to consider making a donation for our students. We have 400 students enrolled; two students in each class/subject receive a book prize to the approximate value of $30.00. Each Kindergarten child receives a book to commemorate their first year at school.

Cash/cheque donations for Presentation Day would be gratefully received. All donations can be made either anonymously or with full public thanks.

To properly organise the awards in time for Presentation Day, it would be helpful if your donation could be made by 7th November 2014.

Donations may be sent to
Lightning Ridge Central School
PO BOX 294
LIGHTNING RIDGE 2834

Yours faithfully

Kerry Adamthwaite
PRINCIPAL

Please find enclosed cheque/cash for $______ being a donation towards the 2014 Lightning Ridge Presentation Day Awards.

I/We do not mind being publicly thanked for our donation

I/We wish my/our donation to be made anonymously

**Dear Grandparents**

As part of Grandparents Day we hope to publish a cookbook full of wonderful recipes from our Lightning Ridge Central School Grandparents. If you have a special recipe you would like to share with us please send it to the school with your name and why it is significant in your family. We would also like a photo of yourself with your grandchild making the recipe if possible just like below.
JOE ANGELESE
The Musical

Years in the making...

The story of a wayward boy who falls in with the wrong crowd, until the power of opal transforms his life - and all those around him.

“Full of wry humour”
“Touches of brilliance”
“...it’s a blast!”
